RIVET ROOKED; HIS APPEAL TO GOVERNOR FAILS

Acting Governor Frothingham this afternoon refused to intervene in the case of Napoleon J. Rivet, sentenced to die for the murder of Joseph J. Gailloux at Lowell, and Rivet must die. It is expected the execution will take place tonight.

STAY GRANTED FOR HEARING OF PETITION.

It was announced at the State House government, in its case against Rivet, contended that the execution was postponed until after the hearing of a stay from Acting Governor Frothingham, that he might have time to hear the petition presented by William H. Bond of Lowell, Rivet's counsel. Today at 12:30 Attorney Bond appeared before Acting Governor Frothingham and presented affidavits signed by Maxine Fette and a man named Caldwell, husbands of sisters of the condemned man, which they stated that in a conversation with Rivet, he had said that he was a woman named Catherine Hane, who had not been on the evening of the murder case. CUBAN TROOPS IN REBELLION

HAVANA, July 26.—Rebellion has broken out in Santiago province. An uprising of the negroes is feared. One thousand negroes, equipped on a war basis, were sent from Havana early today to meet the insurgents, who are commanded by General Milla and Colonel Jaur.

The rumors at every point have been advised to be on their guard and fighting is believed to be imminent. The exact force of the rebels is not definitely known according to some official statement, but the state of rebellion is undoubtedly admitted. It is understood that Milla has under him or on the way to his headquarters several thousand men.

The government is concentrating troops and the colored officers have been ordered to have troops for instant departure. The garrison at Santiago has been advised that reinforcements will be sent as soon as possible.

The first news of the rebels, according to the reports of spies who have been watching the preparations for revolt, would be upon Santiago, with the view of making that a provisional capital.

The rebels occupy the region of El Caimo. About two days ago they were driven from that place and disappeared. The government has not been taken to surprise as the revolutionary action has been imminent for some time, the rebels being well prepared.

The Sox were well pleased with themselves. The Sox took the field against the St. Louis Browns this afternoon in the last game of the series. A defeat would be a blow to the Sox.

Manager Jack O'Connor decided to send Bobbie Ray in the fifth inning to-day in a desperate effort to out even with the Red Sox on the series. Ray has been the Sox's best pitcher since the season, which proves he is no slouch of a pitcher.

As for Manager O'Connor, he seemed on working off little Karper today as he cleared the decks for his array of right-handers to battle the Sox.

THE GAME.
Karger worked smart for a while, but Hartnett was not in the line by a pitched ball, and went to second on Wallace's one out, and then to third on Wagner's one out. No hit.

SECOND INNING.
Schmidt's first in the Sox's line did not do much. Tremaine did to Spencer. Stephens hit two for Wagner. Ray

threw a Texas leaguer in left, hitting the fence, and then to right, hitting the fence, and then to right, hitting the fence.

THIRD INNING.
Hartnett stepped to Wagner. Wallace hit Wagner to right. Karper threw three to left. Karper threw three to left.

FOURTH INNING.
Schmidt walked, driving hit in front of the plate and Karper threw him out. Karper threw him out.

FIFTH INNING.
Hartnett stepped to Wagner. Wallace hit Wagner to right. Karper threw three to left. Karper threw three to left.

SIXTH INNING.

HARPOON WINS SECOND LEG FOR QUINCY CUP

BOSTON YACHT CLUBS STATION, July 26.—Favorable weather and calm conditions prevailed today for the third race in the series between the Harpoon and the Quincy Cup. There was a strong twenty-five-mile-an-hour breeze blowing strong enough to kick up a good chop and at places over the course, while the Harpoon and the Quincy Cup were in a close race, the Harpoon was in the lead.

The Harpoon, skippered by Charles F. Adams, 23, is the Harpoon's second victory in the series, and a win in today's race will practically determine the ownership of the cup.

The results committee held the final of the series at 12:30, awarding the trophy to the Harpoon, skippered by Charles F. Adams, 23, is the Harpoon's second victory in the series, and a win in today's race will practically determine the ownership of the cup.

LIHAN, 2024, C. K. G. Billings' great trotter that every one predicts will be the first trotter to cross the 200 mark with an aid of a wheelbarrow, will be found at the trotting at the Readville Grand Circuit meeting.

A. J. Welch, who by the way, has been quietly conducting a race on the South Shore, while waiting for his horse to be trotted, has been waiting for the country in quest of entries for the Readville, has the promise that the horse will make an attempt to lead the world's record to make a trot in this country.

"Interest"

In one sense it means the premium paid for the use of money. In another, it is concern for an object or event. Put money in the bank—it draws interest—it also interests you. Would it interest you to draw interest on the money you spend? You can, by dealing only with the merchant who is sufficiently interested in your trade to share his profits with you, in the World's most approved fashion. That is by giving J.N. Green Trading Stamps. That merchant is interested in your trade—He wants to hold your interest in His business. That's compound interest. You are both benefited.
